OFFER

ORDINARY PORTLAND CEMENT

Our supplier is leading Certified ISO 9001-2008 manufacturer and exporter of Ordinary Portland Cement Grade 42.5 Class I, Normal, Sulphate Resistant Cement, Portland Blast Furnace Slag Cement, and other Cement Products. They comply several standards including Pakistan Standard PS – 232/1983; British Standard BS –12 – 1996 ; and American Standard ASTM C-150 Type I; South African Board of Standards (SABS), Bureau of Indian Standards (BIS)

WHY OUR SUPPLIER?

Our supplier industry is capable of producing 7,500 tons per day of dry process Cement.

Our supplier has two Packers of 160 tons/hour each. The cement can be dispatched by 20 feet FCL Containers and in pneumatic bulk vessels.

Our supplier is able to offer competitive cement prices due to our geographical location.

Our supplier is regular exporter of Cement and Clinker to several construction companies and cement plants all over the world.

Our supplier is also famous for its Low Alkali Content, Low Heat of hydration, Excellent consistency, Good Resistance to Sulphate and Chloride, High Early Strength, High Ultimate Strength, Low Expansion, No Cracks and Good Workability.

Our supplier can be used in all general constructions especially in major prestigious projects where cement is to meet stringent quality requirements; it can be used in concrete mortars and grouts, concrete blocks and bricks, High rise buildings, dams, bridges & etc.

Our supplier Manufacture and Export Different types of Cement:

Ordinary Portland Cement Grade (OPC): 42.5
Sulphate Resistant Cement (SRC): 42.5
Portland Blast Furnace Slag Cement (PBFSC): 32.5

CEMENT QUALITY:

The quality of Cement being manufactured and marketed under our supplier's name is of a high standard and surpasses benchmarks not only with Pakistan standards but also the British and American Standard specifications. Quality of Cement is controlled and strictly maintained at every stage from raw material crushing to cement grinding and packaging. Moreover, it comes as no surprise that our supplier has upgraded to the latest ISO 9001: 2008 certification from the prestigious Bureau Veritas Register Quality Assurance in the year 2008.

Our supplier are the leading manufacturers and exporters of the following Cement from Pakistan:

TYPES OF CEMENT:

ORDINARY PORTLAND CEMENT (OPC 42.5)

Grade 42.5 Class 1 Normal
Standards: BS12-1996 / ASTM C-150 Type I / EN-197-2000
Packing: 50 Kgs P.P. Bags, 1.5 MT Jumbo Bags, 2 MT Sling Bags
Specifications: Low Alkali & High Ultimate Strength
Minimum Quantity: 250 Metric Tons in 10 X 20 feet FCL Containers
Delivery Time: Prompt Shipment after receiving payment instrument
Price:USD\$58.00 Per Metric Ton FOB Pakistan

SULPHATE RESISTANT CEMENT (SRC 42.5)

Grade 42.5 Class 1 Normal
Standards: BS4027-1996 / ASTM C-150 Type IV / PS 612-1989
Packing: 50 Kgs P.P. Bags, 1.5 MT Jumbo Bags, 2 MT Sling Bags
Specifications: Low Alkali & High Ultimate Strength
Minimum Quantity: 250 Metric Tons in 10 X 20 feet FCL Containers
Delivery Time: Prompt Shipment after receiving payment instrument
Price:USD\$63.00 Per Metric Ton FOB Pakistan

PORTLAND BLAST FURNACE SLAG CEMENT (PBFSC 32.5)

Grade 32.5 Normal Class I
Standards: British Standards 146-2002 / PS 1631-1984
Packing: 50 Kgs P.P. Bags, 1.5 MT Jumbo Bags, 2 MT Sling Bags
Specifications: Low Alkali & High Ultimate Strength
Minimum Quantity: 250 Metric Tons in 10 X 20 feet FCL Containers
Delivery Time: Prompt Shipment after receiving payment instrument
Price: USD55.00 Per Metric Ton FOB Pakistan

Cement in 20 feet Containers

Shipment: Prompt After receiving payment instrument.
Packing: 50 Kgs packed in new Seaworthy P.P Bags
Quantity: Min. Quantity of 250 Metric Tons in 10 X 20 feet FCL Containers. (Each Container Carries up to 25 MT)
Price:USD58.00 Per Metric Ton FOB Pakistan

Cement in Break Bulk Vessels

Shipment: Prompt After receiving payment instrument.
Packing: 50 Kg P.P Bags, 1 MT Jumbo Bag, 2 MT Sling Bag
Quantity: Min. Quantity of 5000 Metric Tons
Price:USD58.00 Per Metric Ton FOB Pakistan
Jumbo & Sling Bag add USD7.00 Per Metric Ton

Cement in Bulk Self Discharging Pneumatic Vessels

Shipment: Prompt After receiving payment instrument.
Packing: Bulk Loose Cement in self discharging vessel
Quantity: Min. Quantity of 12,500 Metric Tons
Price:USD53.00 Per Metric Ton FOB Pakistan

ADVANTAGES:

High Quality Cement:

We are manufacturing and exporting high quality of Ordinary Portland Cement Grade 32.5, 42.5, 52.5, 62.5 Sulphate Resistant Cement, Slag Cement, White Portland Cement. Our quality cement surpasses several standards, BS-12/1996, BS-4027/2001, EN-197/2001, ASTM C-150

Flexible Payments:

We offer several flexible payment options to our regular cement buyers, including Letter of Credit at Sight, 30% Advance and 70% on presentation of Original documents, 50% Advance and 50% on Fax/email of Copy documents, credit line option is also available for our regular buyers.

Lowest Delivery Time:

We offer Guaranteed lowest delivery time to our esteemed buyers; understanding their needs for timely deliveries. We usually commit only spot deals which enables us to ship our cement products on time. Our fleet of 56 carriers enables us to deliver the merchandise on time to the port.

Freight Arrangement:

We also negotiate best freight prices from reliable shipping lines and carriers on behalf of our customers. Our local presence and volumes enable us to get the required freight prices, shortest transit time, no shut-outs, more free time at destination ports and waiver of port charges.

Inspections:

Our offered prices always include third party inspection to ensure our buyer's interest. We recommend SGS, Bureau Veritas (BIVAC), Intertek, Cotecna for inspections at loading port. Inspections include complete physical and chemical analysis with compressive strength of 3-7 days.

Insurance:

Our offered cement prices also includes comprehensive insurance of the cargo covering all risks to avoid any losses occurred during the handling of the cargo including loading, transportation and unloading. Providing cover to customers from our cement plant to their warehouse.

EXPORTING:

Our supplier are regularly exporting Ordinary Portland Cement Grade 42.5 complying British Standards BS12/1996, CARES approved to several GCC Countries including Jebel Ali, Abu Dhabi, Muscat, Doha, Um-e-Qasr, Bahrain, Kuwait, Sharjah, Basra, Port Rashid, Shuaikah Port and other countries in Middle East.

Africa:

Our supplier are regularly exporting Ordinary Portland Cement Grade 42.5 complying with British Standards BS12/1996, SABS approved to East Africa, West Africa, South Africa and many Land Lock African Countries. Including Djibouti, Port Sudan, Ethiopia, Kenya, Zaire, Tanzania, Botswana, Zambia, Mozambique and several other West African countries under development.

South East Asia:

Our supplier are also exporting Cement to India, Srilanka, Nepal, Burma and Bangladesh on regular basis.

Indian Ocean:

Our supplier is also popular in Indian Ocean countries including Seychelles, Comoros Island, Re-Union, Mauritius, Maldives, Madagascar and other low populated islands of Indian Ocean. Madagascar, Srilanka, Tanzania, Seychelles, Mauritius, Re-Union Island and other small islands.

Others Countries:

Afghanistan is the largest consumer of our supplier's Cement due to its High Ultimate Compressive Strength. Sudan and Iraq preferences our supplier's cement due to its Low Alkali Levels. Our supplier's SRC is most popular in Re-Construction of Maldives Island due to its long lasting strength against sulphate attacks and is very suitable for constructions near sea shores as well as for canals linings.

ISO CERTIFICATION 9001: 2008

Our supplier is a quality endorsed business to the international quality standard ISO 9001:2008. This ensures that we deliver what we promise, when we promise it, every time.

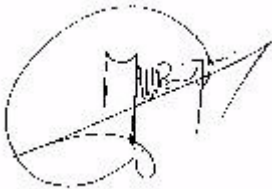

The ISO 9001:2008 quality certification process applies to all aspects of our supplier's business in all locations. By creating an environment that encourages a commitment to quality and which sponsors continuous improvement, we are able to ensure that we remain focussed on consistently delivering value and excellence for our clients.

What is ISO?

ISO is an International Standard Organization that differentiate public and private sectors. On the one hand, ISO is a network of the national standards institutes of 159 countries, one member per country, with a Central Secretariat in Geneva, Switzerland, that coordinates the system.

Assuring you of our best service - Awaiting your kind reply.

Best Regards
